

MAY UPDATES

Louth hub (Low Carbon Louth) looks likely to be the first hub active in a matter of weeks.

North Hykeham hub (OneNK) have confirmed they will be converting the play bus into a mobile workshop.

Holbeach Tonic Health Wheels for Life hub have volunteer interest for the mechanic role.

Gainsborough, Lincoln and Holbeach Boxes of Hopes Wheels for Life hubs are all in the early stages of development all with funding confirmed.

The scheme has identified a number of referral agencies including British Red Cross, Lincolnshire Community Foundation & One You Lincolnshire (plus local organisation to specific hubs) who will refer people in transport poverty into the scheme through a digital referral system.

A scoping exercise is underway to identify existing [cycling opportunities](#) and trained ride leaders across Lincolnshire that can be linked to the hubs to create a cycling outlet following the donation of a bike.

The Wheels for Life [webpage](#) is live and updates will be posted as and when hubs launch.
